- The Sharpsafe® 7L container is ideally suited to dispose of sharps in medium use areas and ideal for acute settings. Offering industry leading safety features such as the new Dual Protect Pro™.

- Designed to encourage horizontal fill in the container to maximise the capacity and acting as a safety shield.

- The new container design has a 13% greater capacity than the predecessor model. Combined with the low carbon footprint recycled material in the base this container supports carbon reduction goals within healthcare settings.
